## The UWC (Toronto) Foundation

Our Foundation is responsible for giving financial awards, scholarships to young women and girls who wish to pursue a university education.

The University Women's Club Toronto states that it will always recognize and fulfill its mandate through the work of the Foundation to help provide educational opportunities for young women with excellent academic records, community involvement and financial need. The Foundation is obliged to award in a timely manner as much of its funds as possible each year to deserving students.

The University Women's Club transfers \$50,000 annually from the club to the Foundation. In addition, our members make personal contributions of about \$25,000 every year.

## SCHOLARS PROGRAM

Each recipient of our scholarships is welcomed into the **UWCT Scholars Program**. They are awarded a UWCT Scholars' pin, certificate, and, on graduation from university, receive a year's free membership in the University Women's Club.

Our goal is to provide an informal organization for the young women to get to know and appreciate each other, with events such as *Coffee, Croissants and Conversation* during the Christmas break, a private, dedicated FaceBook page for the sharing of news and ideas among the young women, a workshop event in the winter Reading Week with an inspirational speaker and Spotlight events and workshops during a day at Innis College.

The young women are invited to our Scholarship Reception each year to renew acquaintances and to meet the newest recipients.

We are hoping that this organization will provide friendships, mentoring, exchanges of ideas and a life-long sisterhood for these brilliant and beautiful young women.

*>>> Through our scholarships we change lives*

The University Women's Club Toronto, its members, families and friends have donated close to \$400,000 to scholarships for young women since the inception of our charity, UWC (Toronto) Foundation, in 2019.

Please consider the UWC (Toronto) Foundation in your giving. The Foundation generously supports many brilliant young women in their post-secondary education.

Our Foundation is a registered charity and provides tax receipts. In addition, we accept the donation of securities.
